On September 27th, 2014, Junior Steward Cody Snyder led the charge on what proved to be a touching and intimate Constitutional Observance Day. The dining room was decorated all red, white, and blue as we took a moment to observe the month of the signing of the United States Constitution. Guests were treated to hand crafted beverages during the reception, while Bro. Marco Garcia gave lodge tours. Constitution pocket books were handed out to all who attended with a game being played before the start of the awards ceremony, in which lodge officers, including Wor. Bob Arnold, read and presented the winning students with their awards. That afternoon, four Middle School students and one High School student were honored for their essays and speech abilities with cash prizes. Afterwards brothers and guest were treated to a fantastic All-American lunch cooked by Bro. Julio Luna and some handy assistants.

**From The East**

We just celebrated Constitutional Observance and Cody Snyder did an excellent job as chairman of the event. We were able to award several students from the local schools with a token of our appreciation for such a good job on their essays.

This month we have three important events on the trestleboard. At the stated meeting we will have our annual election of officers. All members are encouraged to be here for the most important meeting of the year, then on the 15th we will present our brother Mike Garoutte with a Golden Anniversary Pin, this 50 year pin is a badge of honor to all Masons who are able to attain it.

And to round up the month we also have our annual Thanksgiving Dinner on the 22th and all members are invited to sit down and spend the afternoon and evening with our brothers and their families. Also we can use help in the kitchen with any amount of kitchen skills that you might have.

See you at the Lodge,

Bob Arnold

50 Year Pin Presentation: Bro. Mike Garoutte
On November 15th, our Lodge will be conducting a 50 year pin presentation to Bro. Michael Garoutte, who became a Master Mason on November 10th, 1964. He currently resides up north with his wife Sherri in San Carlos, CA. He attended South Pasadena High School, graduating in 1961, his wife Sherri later graduated in 1966. Bro. Garoutte joined the DeMolay chapter in 1957 -- he became Master Councilor in 1961. He has two daughters: Laura (deceased), and Robin Rojas. Four grandchildren: Anthony (24), Ricky (20), Natalia (16), and Mikayla (2). His father joined South Pasadena Masonic Lodge 367 in 1947; he never went thru the line, but he was in the East for his son’s First Degree, and sat in as Senior Deacon for his Second Degree. He was active in the York Rite bodies at South Pasadena, rising to Generalissimo in the Commandery.

His father-in-law, William Lloyd, was a member of Eagle Rock Lodge. Bro. Garoutte graduated from Occidental College in '65, and went immediately into the Air Force -- he had been in the AF ROTC program. One year of Pilot Training in Oklahoma, along with a two months upgrade in the C-123 cargo plane, and he was off to Viet-Nam for a one-year tour. The Air Force sent him to McGuire Air Force Base in New Jersey for four more years, where he flew C-141 cargo aircraft all over the world. He’s been to 22 countries, including Antarctica.

Bro. Garoutte left the Air Force in 1972, joined Prudential Insurance as a Agent & Manager. He worked in insurance for 35 years, finally retiring in 2007 from Mass Mutual.

Bro. Garoutte and his wife are both quite active in their church, Trinity Presbyterian in San Carlos, CA. He never went thru the chairs in lodge, as he puts it, “selling insurance in the evenings makes that impossible!” -- but now he is active as a Candidates’ Coach at Three Great Lights Lodge No. 651 in Menlo Park, CA.

Please join us in presenting Bro. Michael Garoutte his 50 year pin on November 15th at 6pm at South Pasadena Masonic Lodge. /G/

The California Staircase

On October 10th, senior lodge officers ascended to San Francisco to attend the 165th Annual Grand Lodge Communication meeting. Among the fellowship, voting, elections, and the coronation of our new California Grand Master, Most Worshipful Russell E. Charvonia the highlight of the weekend, and most photographed attraction was the Grand Lodge Staircase. It stole the attention of the Lodge Communication weekend, as a symbol of unity and fortitude. The seven step staircase was hand made from collected wood objects donated by California lodges. Every lodge that donated had their lodge number engraved on their piece of wood used on the staircase. South Pasadena Masonic Lodge contributed a piece of wood that was over 100 years old. The mosaic staircase took over 200 hours to complete.

Engraved along the edge of the top, middle, and bottom treads are the perambulations of the 1st, 2nd, and 3rd degrees. In the center of the fourth step there is a point within a circle, the point being the Grand Lodge seal. Our piece, with lodge number engraved, is located on the second step on the left side. The staircase truly is a symbol of unity, contribution, and history.

Next time you visit the Grand Lodge of California make sure to see it.

I can’t help, but say, I’m excited for 2015! This past month I had the pleasure of conducting the 2015 planning meeting where I met with the future officers to discuss the calendar for the upcoming Masonic year and also, a five year plan for our lodge. It was a meeting fueled with ideas and ambition. You will get more details in the months to come, but one thing is for sure – BRACE YOURSELVES for an exciting future. If you haven’t been to lodge in the past two years you’ll be surprised to see 75 percent of your lodge officers will be made up of fresh new faces -- of brothers eager and ready to work together and take our lodge into a new and bigger phase of inner strength and visibility.

Here’s an interesting fact: taking into account the number of years the new progressive line of officers have been Master Masons their median years average to only 1.5! That’s exciting and encouraging to see our new brothers take the initiative to make a difference in our lodge and in the community. I can honestly say that they are a band of visionaries, opinionated, and hard working group of individuals that will not only inspire new, old, and current brothers, but who seek to leave their mark as contributors to society, as men, and as proud Masons -- they will surely be the talk of our lodge for years to come. As South Pasadena Masonic Lodge grows in this new century, my hope is that it will stand-out amongst all the lodges in the great State of California as a unique and powerful representative of Freemasonry. It will be my duty and pleasure to assist in Illuminating the Path to see our lodge grow into a prominent, active, and visible entity for many, many years. I encourage you to be part of this growth by supporting our meetings, events, and projects, all you need to do is show up.

And with that, I say, To Our Future!

Your Loyal Servant,

Dago Rodriguez

The Fall is gaining momentum as the air in the evenings begins to feel a bit more crisp. The tree leaves are displaying their weariness as their time approaches to fall away from the tree that gave them life. Mabon the Autumn Equinox has brought its winds of change from the North to sweep everything away that has completed its latest incarnation. With the Equinox comes balance by contraction and expansion. The Sun enters Libra and the scales are definitely weighed evenly. This is a great time for all of us to step back and reflect on our labors and ensure that we are keeping balance internally and externally in all that we do. It is very important that our mundane activities are in balance and complementing the evolution of our spirit.

Our Masonic lodge is also reaching that annual time of change. The officers of 2014 are completing their duties and the brethren prepare to elect new officers to start the cycle anew. The labors of our officers have left behind a wonderful harvest of good deeds, just like the Fall leaves a bountiful harvest for man to survive through the harshness of the Winter ahead. With this end comes excitement for a new beginning and the vision of what the new officers will bring to our lodge. Just as the land will certainly need to be worked as the ground thaws so will our new officers need the proper tools and guidance to rise as the next generation of leaders in our lodge, and I am certain that this guidance will be provided. There are many exciting plans for the near future and I personally can’t wait to see these ideas become a reality as our brethren continue to cultivate and shape our second home. Be well my brothers. Merry meet, merry part and merry meet again.

Fraternally,

Marco Garcia
